BOARD OF DIRECTORS GOALS AND EXPECTATIONS

I agree to:

1. Become educated on the mission and goals of Lomita Railroad Museum and the Lomita Railroad Museum Foundation (including completing a tour of the museum), and understand the museum's need to raise donations through private gifts to achieve these goals. This is important so I can "tell our story."
2. Make a financial contribution that is personally significant. This gift may be from a corporation or a personal contribution and/or may consist of volunteer hours working on fundraising and other Foundation activities..
3. Understand the importance of referring individual donors, foundations or local corporations (including personal contacts) to the Development/Fundraising Committee. Arrange for introductions to initiate the relationship of a new donor prospect with the Board.
4. Attend, as required, the Foundation Board of Director's meetings annually: 6 regular meetings plus, on occasion, other Board meetings as scheduled. Attend Committee meetings.
5. Participate in planning, set up, and operation of Lomita Railroad Museum Foundation events, programs, and initiatives and attend Lomita Railroad Museum events and other gatherings to represent the Foundation as deemed necessary. As an LRRMF Board member, I understand that I am responsible for expenses for myself and my guest at fundraising events.
6. Accompany Foundation Board members and/or Museum staff to speak with community organizations and donors about the Museum and the importance of the Lomita Railroad Museum Foundation.
