## Commemorative Brick Program

The Lomita Railroad Museum Foundation offers a unique opportunity for supporters to make a lasting impact by purchasing a commemorative brick.

These bricks become a permanent feature of the museum's Donor Brick Wall, honoring contributors and celebrating their support.

Each commemorative brick can be personalized to reflect the donor's preferences. Buyers may choose between two available colors, add custom text, and select one of three distinct graphics to further enhance their brick's uniqueness.

The cost of each brick is \$200.00. With every purchase, donors receive a miniature replica of their brick, providing a special keepsake to treasure for years to come.

## How to Order

To place your order for a commemorative brick, please refer to the back side of this form for additional instructions. Payments can be made by check payable to the Lomita Railroad Museum Foundation, or in person at the Lomita Railroad Museum. Please note that credit and debit card sales are only accepted in person at the museum.

## Support the Museum

When you support the Lomita Railroad Museum Foundation, you help maintain the museum as a valuable interpretive and educational resource. Your contribution makes it possible for visitors to learn about the rich heritage of railroading and understand the important role railroads play in our world today.
